## PRAYER OF CLEARING & PROTECTION

Dear God/Source/Creator,

With a heart full of appreciation I thank you for your love, guidance and unending support. Please be with me today and always. Surround me (or person's name) with your love, light and protection at this time. I call on all available spiritual help including Jesus, Holy Spirit, Archangel Michael and Archangel Raphael to be present and assist in this clearing and healing.

Please surround me with a thousand angels and a sacred circle of love. Cut and remove all cords or attachments that are not serving my (or person's name) highest good. Please remove all lower thought forms, negative patterns, procrastination, self-sabotaging techniques, worry, frustration, fear, feelings of lack and scarcity and ego from me (or person's name) at this time.

Clear me (or person's name) physically, emotionally, mentally and spiritually from any earthbound attachments, entities, psychic attack or psychic debris. I ask that this clearing is done in all directions of time now. Please vacuum all fear from me (or person's name) and fill me with your holy white light. Please gather any and all parts of myself that may have been splintered off and return them to me at this time so that I can be whole, complete and stand firmly in my power.

Please cleanse, clear, balance and align my chakras. Keep my aura big, bright, beautiful and strong. Shield it in layers of love, light and protection to reflect away any negativity. Keep me grounded deeply to Mother Earth and centered in Divine Love. Please send the angels to guide my words, thoughts, actions and decisions. May all of my intuitive gifts be used to strengthen my connection with you, my Source and may all my sensitivities work for my highest good.

May this prayer and clearing also cover my home, property, vehicles and loved ones with the same divine love and protection. May I always see through the eyes of Love, especially when seeing myself.

I ask for all of this or something greater.

Thank you for these answered prayers.

And so it is. Amen.
